Chair, Myrtle Beach
Paul Agnew

Dear Representative Caskey:

Due West

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina House of Representatives from District 89 because of your proven commitment to conservation and protecting our way of life in South Carolina.

Your support for conservation issues has led to a 95% lifetime score on our conservation scorecard and an outstanding 114% score in 2020. Your strong conservation record has been driven by your support for low-cost clean energy and tireless work to hold utility monopolies accountable for the impacts they have on ratepayers and our environment.

You have been a supporter of the right of citizens to a clean and healthy environment and supporting local communities' rights to manage plastic bag pollution. You have supported proactive policies that move our state forward – including clean energy growth, wildlife protections, land protection investments, and the growth of electric vehicle charging infrastructure. It is clear that you are a conservation champion.

I am proud to count you among our conservation allies in the House. For this and more, we want to see you return to Columbia to continue your leadership and work on these important issues.

When the General Assembly convenes for the January 2023 session, citizens of South Carolina will be depending on you to protect the air, land, and water that we all love. We value your willingness to work with us and consider our positions when making decisions on important conservation issues before the House.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,
