The Honorable Bill Clyburn

664 Edrie Ave

Aiken, SC 29801

Dear Representative Clyburn:

I am pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina House of Representatives from District 82 because of your proven commitment to conservation and pollution free communities throughout South Carolina.

You have been a consistent voice for protecting the air, land, and water of South Carolina and we greatly appreciate your outstanding record on conservation legislation, with a 86% lifetime score on our conservation scorecard. Your support of clean energy solutions, reauthorizing the Conservation Bank, and support of the right of citizens to a clean and healthy environment by fighting rollbacks to environmental protections have been critical in the SC House.

You have been a critical leader in the effort to protect the air, land, and water of South Carolina, and we cannot thank you enough. That is why we want to see you return to Columbia to continue your work on these important issues.

A key part of our mission is to let South Carolina voters know where elected officials and candidates stand on protecting our air, land and water and on creating a sustainable energy future. When the General Assembly convenes for the January 2023 session, citizens of South Carolina will be depending on you to protect the natural resources that fuel at least a third of our state's economy. We appreciate your willingness to work with us and consider our position when making your decisions on important conservation issues before the House.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,
