The Honorable Chandra Dillard  
5 Alleta Ave.  
Greenville SC 29607

Dear Representative Dillard:

I am pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina House of Representatives from District 23 because of your proven commitment to conservation and pollution free communities throughout South Carolina.

Your support for conservation issues has led to a 103% lifetime score on our Conservation Scorecard – including 103% in 2020! Your leadership on conservation issues has been consistent, steadfast, and inspiring. From working to stop sham recycling, to supporting energy reform and clean energy policies, to standing in firm opposition to offshore drilling, and standing up for the rights of citizens to a clean and healthy environment, you have been a clear and consistent conservation champion. Thank you!

I am proud you count you among our conservation champions and former Green Tie Award winners. For this and more, we want to see you return to Columbia to continue your leadership and work on these important issues.

A key part of our mission is to let South Carolina voters know where elected officials and candidates stand on protecting our air, land and water and on creating a sustainable energy future. When the General Assembly convenes for the January 2023 session, citizens of South Carolina will be depending on you to protect the natural resources that fuel at least a third of our state's economy. We appreciate your willingness to work with us and consider our position when making your decisions on important conservation issues before the House.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,
