The Honorable Travis Moore  
361 Lancaster Farm Rd  
Roebuck, SC 28376

Dear Representative Moore:

I am pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina House of Representatives from District 33 because of your proven commitment to conservation.

You have been a consistent voice for protecting the air, land, and water of South Carolina in your first term in Columbia, supporting e-waste recycling efforts, the rights of homeowners to put solar on their rooftops, critical reforms of Santee Cooper, and growth of electric vehicle charging infrastructure. Finally, your leadership and consistent support for land protection has been critical piece to building support for protecting the lands and waters that make the Upstate unique.

We cannot thank you enough for your leadership to protect the natural resources of our state. That is why we want to see you return to Columbia to continue your work on these important issues.

When the General Assembly convenes for the January 2023 session, citizens of South Carolina will be depending on you to protect the air, land, and water that we all love. We value your willingness to work with us and consider our positions when making decisions on important conservation issues before the House.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Tynan".
