March 2, 2022

The Honorable Spencer Wetmore
P.O. Box 1085
Folly Beach, SC 29439

Dear Representative Wetmore:

I am pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina House of Representatives from District 115 because of your proven commitment to conservation.

You have been a consistent voice for protecting the air, land, and water of South Carolina in your first term in Columbia, supporting e-waste recycling efforts, the rights of homeowners to put solar on their rooftops, critical reforms of Santee Cooper, and growth of electric vehicle charging infrastructure. You stood by conservation in close votes relating to rolling back solid waste regulations, helping us to put critical safeguards on an unproven industry that sought to melt plastics without oversight. Finally, your leadership and introduction of a bill to reduce costs to ratepayers for both the closure of coal plants and the clean-up of storm costs will provide key tools in efforts to both stop and respond to the impacts of climate change.

You have been a consistent voice for protecting the air, land, and water of South Carolina, and we cannot thank you enough. That is why we want to see you return to Columbia to continue your leadership on these important issues.

When the General Assembly convenes for the January 2023 session, citizens of South Carolina will be depending on you to protect the air, land, and water that we all love. We value your willingness to work with us and consider our positions when making decisions on important conservation issues before the House.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Tynan", is written on a white background.

John Tynan
