March 2, 2022

The Honorable Chris Wooten  
5347 B Sunset Blvd.  
Lexington SC 29072

Dear Representative Wooten:

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina House of Representatives from District 69 because of your proven commitment to conservation and protecting our way of life in South Carolina.

Your leadership on clean energy and conservation issues has led to a 106% lifetime score on our conservation scorecard! You have been a strong and consistent voice for protecting the air, land, and water of South Carolina and we appreciate your strong record and leadership on clean energy and other common-sense conservation topics. From advocating for solar growth, to holding the PSC accountable, you've fought for a low-cost clean energy future in South Carolina.

You've also been a fierce advocate for taxpayers, fighting to ensure that they are not left footing the bill when dangerous and unproven industries come to South Carolina, contaminate our communities with toxic chemicals, and then disappear. Add this to your support for land protection and the Conservation Bank, wildlife protections, and clean drinking water and it is clear that your voice has had a big impact in the SC House.

I am proud to count you among our conservation allies in the House. For this and more, we want to see you return to Columbia to continue your leadership and work on these important issues.

When the General Assembly convenes for the January 2023 session, citizens of South Carolina will be depending on you to protect the air, land, and water that we all love. We value your willingness to work with us and consider our positions when making decisions on important conservation issues before the House.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Tynan", is written on a white background.

John Tynan  
Executive Director
