The Honorable Michael Rivers

734 Seaside Rd

St Helena Isl, SC 29920

Dear Representative Rivers:

I am pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina House of Representatives from District 121 because of your proven commitment to conservation and pollution free communities throughout South Carolina.

You have been a consistent voice for protecting the air, land, and water of South Carolina and we greatly appreciate your outstanding record on conservation legislation, with a 91% score on our 2021-2022 conservation scorecard and 80% lifetime score. Your support of clean energy solutions, funding land protection efforts, providing clean drinking water, and protecting the rights of citizens to a clean and healthy environment have been critical in the SC House.

You have been a critical leader in the effort to protect the air, land, and water of South Carolina, and we cannot thank you enough. That is why we want to see you return to Columbia to continue your work on these important issues.

A key part of our mission is to let South Carolina voters know where elected officials and candidates stand on protecting our air, land and water and on creating a sustainable energy future. When the General Assembly convenes for the January 2023 session, citizens of South Carolina will be depending on you to protect the natural resources that fuel at least a third of our state's economy. We appreciate your willingness to work with us and consider our position when making your decisions on important conservation issues before the House.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,
