Dear Mr. Crisp:

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your primary election to the South Carolina House of Representatives from District 36 because of your commitment to conservation and protecting our way of life in South Carolina.

Thank you for your commitment to addressing important issues such as increasing the amount of protected land and water throughout our state, as well as supporting the shift to cleaner, renewable energy.

The citizens of South Carolina will be depending on you to protect the air, land, and water that we all love. We value your willingness to work with us and consider our positions when making decisions on important conservation issues before the House, such as finding quality members for the Public Service Commission.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Tynan", is displayed within a white rectangular box.

John Tynan  
President
