Representative Bill Clyburn  
Aiken, South Carolina

Dear Representative Clyburn,

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your primary campaign for re-election to the South Carolina House of Representatives in your district. Your outstanding CVSC scorecard rating of 87% demonstrates your consistent and reliable advocacy for environmental issues within the legislature, a record that greatly aligns with our goals for conservation and sustainability.

As we continue our efforts, your experience and leadership are crucial. Your role is especially vital as we work to maintain momentum in our clean energy efforts, and as we approach future elections of Public Service Commissioners, your insights will be invaluable.

We value your dedication to these important issues and look forward to another term of your leadership in the House, where your advocacy and influence will continue to play a critical role in our collective efforts involving clean energy, clean water, clean air, and land conservation. Together, we can address the pressing challenges facing our state.

You may use our endorsement in your campaign materials, as well as on your website and social media pages as you see fit.

Sincerely,
