Dear Blake Sanders,

We are thrilled to announce that Conservation Voters of South Carolina (CVSC) endorses your election in the primary for the South Carolina House of Representatives in District 9. Your extensive work with CVSC's conservation partners on land use and recreation has been instrumental, and we are excited to bring your expertise to the State House.

Your tenure as Mayor showcased your strategic thinking regarding land use and growth, which is crucial as South Carolina continues to attract new residents. This experience underlines your understanding of the delicate balance required to sustainably manage our state's natural resources while fostering economic growth.

As we move forward, CVSC is particularly enthusiastic about collaborating with you on understanding policies for clean air, clean water, and clean energy for South Carolinians. Your involvement in these areas is vital as we strive to safeguard South Carolina for future generations. Furthermore, your upcoming involvement in discussions regarding Public Service Commission candidates is eagerly anticipated.

You may use this endorsement in your campaign materials, on your website, and across your social media platforms as you see fit. Together, we are confident that we can achieve a cleaner, healthier South Carolina that continues to thrive economically while preserving the natural beauty that defines our state.

We look forward to your leadership in the General Assembly and are excited about what we can accomplish together.

Sincerely,
