Dear Mr. Widener,

Paul Agnew
Due West

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your primary campaign for the South Carolina House of Representatives in District 85. Your commitment to making government accessible and responsive to the needs of your constituents, coupled with your support of doubling protected lands in South Carolina, ensuring clean and safe water, and exploring sustainable energy solutions align with our values at CVSC.

Your approach to leadership—seeking expert advice and maintaining open communication with both professionals and the community—promises a fresh, pragmatic direction in policy that prioritizes the well-being of all South Carolinians. We are thankful for your stance on holding polluters accountable, preserving South Carolina's natural beauty and protecting the health of those who live here. We are also encouraged by your openness to explore solar and other clean energy options, emphasizing practical benefits over political interests. We also look forward to discussing Public Service Commission candidates with you to ensure that Commissioners have the people of SC at the forefront of their decision making.
