Dear Mr. Grant,

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your primary campaign for the South Carolina House of Representatives in District 79. Your commitment to land conservation and the protection of South Carolina's coasts resonates strongly with our goals and values.

As a businessman and community leader, you have shown an understanding of the critical interplay between economic development and environmental stewardship. Your focus on safeguarding our coasts from degradation while promoting sustainable growth is crucial for maintaining the natural beauty and ecological health of our state.

As the General Assembly addresses the pressing challenges facing our environment, South Carolinians will rely on your leadership to champion policies that protect our air, land, and water. Your involvement in these areas is vital as we strive to safeguard South Carolina for future generations. Furthermore, your upcoming involvement in discussions regarding Public Service Commission candidates is eagerly anticipated.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can ensure a prosperous and sustainable future for our state that does not come at the expense of its natural resources.

We value your willingness to work alongside CVSC and are confident in your ability to make a significant impact in the State House.

Sincerely,
