Dear Mr. Luck,

I am pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your primary campaign for South Carolina House District 54 because of your commitment to conservation and protecting our way of life in South Carolina.

We appreciate your passion for our state's incredible natural resources and your pledge to support common sense measures to protect our land and water for the next generation, including your outlook on renewable energy and wastewater recycling.

The citizens of South Carolina will be depending on you to protect the air, land, and water that we all love. We value your willingness to work with us and consider our positions when making decisions on important conservation issues before the House, such as finding quality members for the Public Service Commission and holding utilities accountable to the ratepayers they serve.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Tynan", is written over a light blue rectangular background.
