Dear Mr. Dunn:

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your primary election to the South Carolina House of Representatives from District 35 because of your commitment to conservation and protecting our way of life in South Carolina.

Your belief in environmental stewardship and protecting our waterways and natural resources aligns with our values and vision as an organization, and we appreciate your attentiveness to these important issues.

The citizens of South Carolina will be depending on you to protect the air, land, and water that we all love. We value your willingness to work with us and consider our positions when making decisions on important conservation issues before the House, such as finding quality members for the Public Service Commission.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Tynan", is displayed on a white background.
