Dear Ms. Branning,

I am pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your primary campaign for South Carolina House District 66 because of your commitment to conservation and protecting our way of life in South Carolina.

We appreciate your passion for our state's incredible natural resources, your outlook on water conservation, and your support of protecting greenspaces and natural landscapes. We look forward to your common sense measures to protect our land and water for the next generation, including.

The citizens of South Carolina will be depending on you to protect the air, land, and water that we all love. We value your willingness to work with us and consider our positions when making decisions on important conservation issues before the House, such as electing quality Commissioners to serve on the Public Service Commission.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,
