Dear Mr. Ford,

I am pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your primary campaign for South Carolina House District 93 because of your commitment to conservation and protecting our way of life in South Carolina.

We appreciate your passion for our state's incredible natural resources and your pledge to support common sense measures to protect our land and water for the next generation, including your commitment to protecting communities from pollution and toxic waste.

The citizens of South Carolina will be depending on you to protect the air, land, and water that we all love. We value your willingness to work with us and consider our positions on clean energy and other conservation issues before the legislature, such as finding quality members for the Public Service Commission.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Tynan", is written over a light blue rectangular background.
