Dear Robert Reese,

I am pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your primary campaign for South Carolina House District 70 because of your proven leadership on sustainability and conservation related issues and your current work with South Carolina Interfaith Power & Light. We are also excited to have a Palmetto Leadership Academy fellow running for office this year and are grateful to have your participation in this program during its inaugural year.

We appreciate your passion for our state's incredible natural resources and your pledge to support common sense measures to protect our land and water for the next generation, including your commitment to environmental justice and stewardship.

The citizens of South Carolina will be depending on you to protect the air, land, and water that we all love. We value your willingness to work with us and consider our positions when making decisions on important conservation issues before the House, such as finding electing quality Commissioners to the Public Service Commission.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,
