Dear Representative Seth Rose,

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your primary campaign for the South Carolina House of Representatives for District 72. Your steadfast dedication and leadership have earned you an impressive 103% on CVSC's legislative scorecard, reflecting your unwavering commitment to conservation and environmental stewardship.

Throughout your tenure, you have proven yourself as a true champion for CVSC's values, consistently advocating for legislation that supports our mission. Most notably, your recent efforts standing with residents, nonprofits, and businesses across South Carolina against a detrimental energy bill have demonstrated your ability to lead and protect our state's natural resources.

As the General Assembly continues its work, the people of South Carolina will be depending on your experienced leadership to champion the protection of our air, land, and water. We also look forward to your active participation in discussions about future Public Service Commission candidates as you play a crucial role in shaping our state's environmental policy.

You are welcome to use this endorsement in your campaign materials as well as on your website and social media pages as you see fit. We are proud to support your campaign once again and are confident in your continued commitment to a clean and healthy South Carolina for future generations.

Sincerely,
