Dear Mr. Northcutt,

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your primary campaign for the South Carolina House of Representatives in District 40. Your family's strong background in land conservation and water protection, coupled with your personal commitment to preserving our state's farmland and forests, strongly aligns with our conservation efforts.

Your concerns about overdevelopment and dedication to maintaining the natural landscapes of South Carolina are so important as we face increasing pressures on our land and resources. We appreciate your openness to exploring energy options that are both sustainable and sensible for the everyday South Carolinian. Your commitment to making informed, common-sense decisions will serve our state well.

As the General Assembly moves forward, your voice will be critical in discussions that shape the future of our state's environmental policy. South Carolinians will depend on your leadership, and we also look forward to working with you on selecting Public Service Commissioners who have serving the people of South Carolina at the heart of what they do. Your involvement in these areas is vital as we strive to safeguard South Carolina for future generations.

You are welcome to use this endorsement in your campaign materials, as well as on your website and social media pages. Working together, we can continue to advocate for policies that ensure a balanced, healthy environment for all South Carolinians.

Sincerely,
