Dear Mr. Graham:

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your campaign for the South Carolina Senate because of your proven leadership and service to your community as well as your prioritization of conservation related issues.

We are proud to support your path to Columbia. The citizens of South Carolina will be depending on you to protect the air, land, and water that we all love. We value your willingness to work with us and consider our positions and those of our conservation partners when making decisions on important conservation issues before the Senate.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,
