Dear Councilman Kirven:

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your primary election to Greenville County Council from District 27 because of your commitment to conservation and protecting the quality of life in Greenville County.

Your work to establish standards for development has helped to mitigate the adverse effects of the county's rapid growth, and your leadership in the creation of the Greenville County Historic and Natural Resources Trust has gifted communities with lands to enjoy well into the future. Thank you for defending Greenville County's environment and residents' quality of life.

In the years ahead, Greenville County's citizens will continue to depend on you to protect the air, land, and water we all love. We look forward to working with you and our local advocacy allies to protect the County's natural resources.

You may use our endorsement in your campaign materials, website, and social media pages. Working together, we can provide a clean and healthy environment for future generations.

Sincerely,
