Dear Ms. Ford:

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your primary election to the South Carolina House of Representatives from District 57 because of your commitment to conservation and protecting our way of life in South Carolina.

Thank you for your dedication to protecting our state's natural resources and for your advocacy for improving community health outcomes. Your support of farmers, your concern for public health, and your desire to stay an engaged member of your community while in office will serve your district well.

The citizens of South Carolina will depend on you to protect the air, land, and water we all love. We value your willingness to work with us and consider our positions when deciding on important conservation issues before the House, such as finding quality members for the Public Service Commission.

You may use our endorsement in your campaign materials, website, and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Tynan", is displayed within a white rectangular box.
