Dear Mr. Rogers:

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your primary election to the Greenville County Council from District 22 because of your commitment to conservation and protecting the quality of life in Greenville County.

Your work on the Greenville County Planning Commission has given you the experience and skill set to manage the County's growth while maintaining a high quality of life for all residents. Thank you for your dedication to responsible and cohesive land development policies and your commitment to continue this work on Council.

In the years ahead, Greenville County's citizens will continue to depend on you to protect the air, land, and water we all love. We look forward to working with you and our local advocacy allies to protect the County's natural resources.

You may use our endorsement in your campaign materials, website, and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,
