Dear Representative Clyburn:

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina House of Representatives from District 82 because of your consistent commitment to conservation and protecting our way of life in South Carolina.

You have been a conservation champion in the State House, consistently voting for policies that create a healthier environment and protect our natural resources. Your high score on the CVSC legislative scorecard reflects this outstanding voting record. For your leadership, we're proud to support your return to Columbia to continue your work on these crucial issues.

The citizens of South Carolina will depend on you to protect the air, land, and water we all love. We value your continued willingness to work with us and consider our positions when deciding on important conservation issues before the House, such as finding quality members for the Public Service Commission.

You may use our endorsement in your campaign materials, website, and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,
