The Honorable JA Moore
7752 Desoto Dr
North Charleston, SC 29420

Dear Representative Moore,

I am pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election campaign for South Carolina House of Representatives District 15 because of your proven commitment to conservation and protecting our way of life in South Carolina.

You have been a voice for protecting the air, land, and water in our state. Your support of clean energy solutions, funding the Conservation Bank, and protecting the rights of citizens to a clean and healthy environment by fighting rollbacks to environmental protections have been critical in the SC House.

A key part of our mission is to let South Carolina voters know where elected officials and candidates stand on protecting our air, land and water and on creating a sustainable energy future. When the General Assembly convenes for the January 2025 session, citizens of South Carolina will be depending on you to protect the natural resources that fuel at least a third of our state's economy. We appreciate your willingness to work with us and consider our position when making your decisions on conservation issues before the House such as electing Commissioners to the Public Service Commission.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,

John Tynan
President
