Dear Ms. Van Bulck,

I am pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your campaign for Charleston County Council for District 7 because of your commitment to conservation.

We appreciate your passion for our state's incredible natural resources and your pledge to support common sense measures to protect our land and water for the next generation, including finding creative ways to combat flooding and preserving the lowcountry ecosystem.

The residents of Charleston County will be depending on you to protect the air, land, and water that we all love. We value your willingness to work with us and consider our positions when making decisions on important conservation issues before the County Council.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,

John Tynan
President
