The Honorable Tom Davis
P.O. Box 1107
Beaufort, SC 29901

Dear Senator Davis:

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina Senate from District 46 because of your consistent commitment to conservation and protecting our way of life in South Carolina.

You have been a conservation champion in the State Senate, consistently voting for policies that create a healthier environment, leading the charge for new approaches to protect our natural resources, and championing efforts to advance clean, affordable, and reliable energy in South Carolina. This has resulted in your strong lifetime score of 85% on our legislative scorecard and the distinction of being a CVSC Green Tie Award winner. For your leadership on conservation and energy issues, we're proud to support your return to Columbia to continue your work on these issues and more.

The citizens of South Carolina will depend on you to protect the air, land, and water we all love. We value your continued willingness to work with us and consider our positions when deciding on important conservation issues before the Senate, such as finding quality members for the Public Service Commission and holding utilities accountable to ratepayers they serve.

You may use our endorsement in your campaign materials, website, and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,

John Tynan
President
