Dear Representative Hewitt,

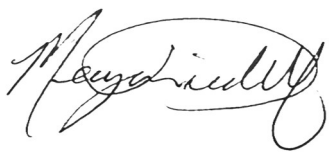
I am pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your reelection to the South Carolina House because of your commitment to conservation and protecting the South Carolina we love. You received a score of over 100%, an admirable 103%, on CVSC's 2025-2026 legislative scorecard due to your bill sponsorship advancing conservation goals across the state.

This past session you have supported entities advancing conservation in our state such as the South Carolina Department of Natural Resources, the South Carolina Office of Resilience, and the South Carolina Conservation Bank. You supported an education fund to connect youth with nature through classroom and outdoor natural resource conservation education, and you supported the establishment of a statewide protected lands benchmark of 7 million acres across South Carolina by 2050.

An important part of CVSC's mission is to let South Carolina voters know where elected officials and candidates stand on protecting our air, land, and water and creating a sustainable energy future. When the General Assembly convenes for its next session, South Carolinians will depend on you to protect the natural resources that support our way of life. We appreciate your desire to work with us and champion conservation when making your decisions on important issues before the House.

You may use our endorsement in your campaign materials as you see fit as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,



712 Richland Street, Suite A, Columbia, SC 29201 • PO Box 1766, Columbia, SC 29202 • (803) 799-0716 • info@cvsc.org
